As far as making himself known, he is "private" as expected- His registration for his website is all private. But I did find this-<http://www.topix.net/forum/city/whitewater-wi/TPQ1A5DST11C1B0TS>
You may know some of those people you may not.

Going by the email he sent to Kevin over a month ago, He is a charter communications customer. He may actually live in Afton, WI. My guess is that he is a student/staff at UWW, as he has made an entry into Wikipedia as well...

Thanks Tim, it gives us something more to go on. You are earning your pay as a computer "sleuth". Please let me know if you uncover anything else.

Jim

P.S. That "junior" police badge is in the mail!
